

Mirror — Month 1 Outreach Planner

A complete, day-by-day plan for one person doing outreach + content. It tells you **who to contact**, **where to find them**, **how many to do each day**, **which script to use**, **what to post**, and **how to track it**.

Honest note on contacts: I will not invent phone numbers or emails — fake leads waste your time and burn your name. Instead, Section 2 gives you the real **directories where these people publish their own public business contact info**, plus named anchor organizations. You pull the exact number/email from the listing (they're there to be contacted) and drop it into the tracker. This is faster and safer than any list I could fabricate, and it scales to hundreds.

Pairs with: [PARTNER-OUTREACH-KIT.md](#) (the call/DM scripts), [PROSPECT-LIST.md](#) (more directories + named podcasts/creators), [partner-outreach-tracker.csv](#) (the tracker), [CONTENT-PLAYBOOK.md](#) + [VIDEO-STORYBOARDS.md](#) (what to post).

1. Who you're reaching, and the one-line reason they care

Audience	Why Mirror matters to them	Primary script
Therapists / counselors	A structured self-reflection tool for clients <i>between</i> sessions (never a replacement for care)	Therapist/coach
Life & self-help coaches	A deeper client intake + a shared language for growth; a tool they can recommend	Therapist/coach
Coaching schools / academies	One partner = hundreds of student-coaches who could use it	Facilitator (adapt)
School & university counselors	A low-liability self-awareness resource for students	Corporate/HR (adapt)
Gurus / wellness & spiritual teachers, yoga/meditation studios	A pre/post-retreat self-knowledge tool; groups feature fits circles	Facilitator/retreat
Self-development creators (IG/TikTok)	Content their audience loves + a collab/affiliate angle	Creator (DM)
Podcast hosts	A fresh guest topic: the "perception gap" + on-device privacy	Podcast

2. Where to find them (the sourcing playbook — real directories)

Work one row at a time. Open the directory, filter by your target city/niche, and copy each prospect's **name**, **public phone**, **public email/contact link**, and a one-line **personalization hook** into [partner-outreach-tracker.csv](#).

Therapists / counselors

- **Psychology Today — Find a Therapist:** [psychologytoday.com/us/therapists](#) (filter by city + specialty; each profile has phone + email/contact)
- **TherapyDen:** [therapyden.com](#)
- **GoodTherapy:** [goodtherapy.org](#)
- **Zencare:** [zencare.co](#)

Life & self-help coaches

- **Noomii — largest coach directory:** [noomii.com](#) (profiles include contact + pricing)
- **ICF Credentialed Coach Finder:** [coachingfederation.org/find-a-coach](#)

- **Life Coach Hub:** lifecoachhub.com
- **Life Coach Magazine directory:** lifecoachmagazine.com/life-coach-directory
- **Thumbtack (local coaches):** thumbtack.com

Coaching schools / academies (high-leverage — each has many coaches)

- **Co-Active Training Institute (CTI):** coactive.com — 65,000+ coaches trained
- **iPEC:** ipeccoaching.com
- **Robbins-Madanes Training:** robbinsmadanes.com
- Pitch: an alumni/student perk or a "tool for your trainees" partnership → reach the org, not one coach.

Schools & university counselors

- **ASCA (American School Counselor Association):** schoolcounselor.org · main line (703) 683-2722 · asca@schoolcounselor.org — and their **State & Territory Associations** page links every state body (your fastest route to local counselors)
- **University counseling / wellness centers:** search "<university> counseling center" or "<university> student wellness" — each publishes a department phone + email
- Local **school district** sites list counselor contacts per school

Gurus / wellness / spiritual teachers, yoga & meditation studios

- **Body Mind Spirit Directory:** bodymindspiritdirectory.org
- **YogChakra Wellness Directory:** yogchakra.com/wellness-directory
- **yoga.nears.me:** nears.me/yoga-wellness-directory — 17,000+ studios
- **Heart of Yoga / Yin Yoga teacher directories** (teacher listings with contact)
- Local: search "<city> meditation center," "<city> yoga studio," "<city> men's circle," "<city> women's retreat"

Self-development creators (for DMs — no email needed)

- Search hashtags on IG/TikTok: **#selfawareness #personalgrowth #shadowwork #mbti #humandesign #healingtok #innerwork**
- Named large accounts to study/pursue (from research): **The Wizard Liz**, plus mid-tier creators in MBTI/astrology/therapy-adjacent niches (10k–200k followers convert best — big enough to matter, small enough to reply). See [PROSPECT-LIST.md](#) for named podcasts/creators.

Podcast hosts

- See [PROSPECT-LIST.md](#) for a named, pitch-ready list (astrology, Enneagram, relationships, self-dev).

3. Your daily numbers

Two tiers — hit **Baseline** every weekday; push to **Stretch** on good days. Consistency beats intensity: a steady daily pace compounds; bursts don't.

Activity	Baseline / day	Stretch / day
Cold calls (dials)	8	15
Personalized emails (1:1, from your own inbox)	10	20
Social DMs (IG + FB + TikTok combined)	10	20
Follow-ups (from earlier in the week)	5	10
Posts (each cross-posted to IG + FB + TikTok)	2	2

Weekly baseline: ~40 dials · ~50 emails · ~50 DMs · **14 posts.** **Monthly baseline:** ~160 calls · ~200 emails · ~200 DMs · ~60 posts.

Rules that keep you legal + welcome: - Calls/emails go to **public business contacts** (practices, studios, schools) — B2B, not consumers. - Send emails **1:1 from your own inbox**, personalized — never a bulk blast (that protects your inbox reputation; the campaign system is only for opted-in users/waitlist). - Every email has a real signature + an easy way to say "no thanks."

4. Which script, which day (weekly rotation)

Batch by audience so you stay in one headspace. Scripts are in [PARTNER-OUTREACH-KIT.md](#).

Day	Focus	Source (Section 2)	Script
Mon	Therapists / counselors	Psychology Today, TherapyDen	Therapist/coach
Tue	Coaches + one coaching school	Noomii, ICF + CTI/IPEC	Therapist/coach + Facilitator
Wed	Creators + one podcast pitch	IG/TikTok hashtags + PROSPECT-LIST	Creator (DM) + Podcast
Thu	Schools/counselors + wellness/yoga	ASCA/state + yoga directories	Corporate (adapt) + Facilitator
Fri	Follow-ups (everyone from Mon–Thu) + retreats	tracker + BookRetreats/Retreat Guru	Break-up close + Facilitator

The **Fri follow-up** block matters most — most replies come on touch 2 or 3.

5. The outreach email (generic — copy, then personalize the first two lines)

Use this as your base for therapists/coaches/wellness pros. Keep the **first two lines specific to them** (their work, their focus) or it goes in the bin. Under ~130 words. Send from your real inbox.

Subject: A quiet tool for the people you work with

Hi {first name},

I came across your work in {their focus — e.g. "helping couples rebuild trust" / "guiding people through career transitions"}, and it's the reason I'm writing.

I'm the founder of **Mirror** — a personal-reflection tool that helps someone see themselves clearly: their personality and patterns, how they think and feel, and even how others actually perceive them. Some practitioners are pointing clients to it for structure *between* sessions. It's a mirror, never a replacement for the work you do.

I'm not selling anything today — I'd genuinely value your eye on it. Could I set you up with free access to try? If it's useful to the people you serve, wonderful. If not, your honest read would help me more than you know.

Either way, thank you for the work you put into the world.

Warmly, {Your name} · Founder, Mirror trymirror.world

(Variants: for schools/counselors, swap line 2 to "a low-pressure self-awareness resource for students"; for retreat/circle leaders, "a pre- and post-retreat reflection tool for your groups.")

6. The 4-week calendar

Each weekday = **1 outreach block (~45 min)** + **content (2 posts)** + a **10-min reply/engage sweep**. Weekends: light — 30-min reply sweep + prep next week's posts (or rest).

Week 1 — Foundation (learn the motion)

Day	Outreach (Baseline)	Posts (AM / PM)
Mon	8 therapist calls + 10 emails	Perception-gap video / a "recognition" quote
Tue	8 coach calls + 10 emails; email 1 coaching school	3am-overthinker video / a poll ("what's your blind spot?")
Wed	15 creator DMs + 1 podcast pitch	"Uncharted" anthem video / a carousel: the 5 layers
Thu	8 school/wellness calls + 10 emails	Mirror-talks-back video / behind-the-scenes (founder note)
Fri	Follow up everyone from Mon–Thu + 5 retreat emails	Blind-spot video / a testimonial-style text post

Week 2 — Volume (same rhythm, wider net)

Repeat the Week-1 day themes. Sources: move to the **next city** or the next pages of each directory. Add a **second coaching school** (Tue) and a **second podcast pitch** (Wed). Start reusing your best Week-1 posts that performed.

Week 3 — Optimize (double down on what replies)

Check the tracker: which audience replied most? Give that day an extra block. Whichever **post pillar** got the most saves/shares, make three more like it. Begin **warm intro asks** — anyone who replied positively, ask "is there one person you'd point me to?"

Week 4 — Convert + compound

Focus follow-ups on **booked calls** (aim 3–5 discovery calls this week). Send free access to everyone who showed interest. Ask your first happy practitioner for a quote/referral. Plan Month 2 from the data.

Milestones by end of Month 1 (baseline): - ~160 calls · ~200 emails · ~200 DMs · ~60 posts - 20–40 replies · 5–10 real conversations · **1–3 committed multipliers** (a therapist recommending you, a creator collab, a school pilot, a podcast booking). One committed multiplier can outperform a month of ads.

7. Posting plan — 2×/day, cross-posted to IG + FB + TikTok

Post the **same clip/graphic to all three platforms**, with a native caption each (see the caption packs in **VIDEO-STORYBOARDS.md**). Two slots a day:

- **AM (~9–10am) — the "recognition/curiosity" slot:** a short video from the storyboards, or a bold text-over-aesthetic-background hook. This is your reach play.
- **PM (~6–8pm) — the "connection" slot:** lighter — a quote card, a poll/question ("what's your blind spot?"), a carousel, a founder note, or a repost of an early comment. This is your engagement + comments play.

Rhythm: **video ~5×/week** (batch them per **VIDEO-STORYBOARDS.md**), **simpler graphics/text the other slots**. After every post, spend 10 minutes replying to comments + DMs — early engagement is what the algorithm (and your leads) watch.

Content pillars to rotate (from **CONTENT-PLAYBOOK.md**): Recognition · Perception-gap · The five layers · Growth · Cosmos-meets-science.

8. Tracker + weekly review

Tracker: `partner-outreach-tracker.csv` — one row per prospect: name, type, channel, contact, personalization hook, status (`to-send` → `sent` → `replied` → `call-booked` → `won/no`), touch dates, free-access sent, next action, notes.

Every Friday (15 min): 1. Count the week: calls / emails / DMs / posts vs. baseline. 2. Which **audience** replied most? → give it more time next week. 3. Which **post** got the most saves/shares? → make more like it. 4. Who needs a **follow-up** next week? → schedule it now. 5. Book any interested prospect into a 15-min call.

Numbers that matter: replies, booked calls, and committed multipliers > raw dials. Saves/shares/comments and waitlist signups > raw views. You're not chasing volume for its own sake — you're looking for the handful of people who say yes and bring others.

The one-sentence version

Every weekday: 8 calls, 10 emails, 10 DMs, 2 posts, and a reply sweep — batched by audience, tracked in the sheet, followed up on Fridays. Do that for a month and you'll have your first multipliers.
